

COVID-19 CORONA VIRUS

Monday, 19 July 2021

Dear Golfers,

Golf has been allowed to continue in groups of two only and the pro shop cannot operate as a retail store and will only collect your fees and offer takeaway drinks and food.

To assist with reducing the spread of COVID-19 Corona Virus, we recommend the following procedures are to be followed:

1. Golfers **MUST WEAR MASKS IN THE PROSHOP AND USE QR CODE BEFORE ENTERING.**
2. Removal of pins from putting green.
3. All pins on greens are to be left in and remove ball with hand using your gloved hand.
4. Removal of sunscreen.
5. No hand shaking at completion of game.
6. All rakes will be removed from bunkers, golfers are asked to smooth the bunkers as best as possible with their feet and golf club.
7. Do not mark fellow golfers playing ball, only mark your own.
8. All water bubblers on the course will be turned off and the Pro Shop has bottled water available for sale.
9. Please do not congregate in groups in the waiting area and please remain 1.5m apart and wear masks until your tee time.
10. See attached NSW Government Regulations.

We will endeavour to keep patrons safe to allow them to enjoy their round of golf and other social events.

Regards,

Ken Pearson
CEO

Lance Harrigan
President
